

# Greyhounds South Lakes Visit Summer 2021

On Friday 23<sup>rd</sup> April, Underley were very excited to welcome Stuart and Jenny Stott from the Retired Greyhounds South Lakes. They also brought three beautiful greyhounds for us to meet called Homer, Lena and Dave.

The students were thrilled to be able to spend time cuddling and grooming them, the dogs looked like they enjoyed themselves too!

Stuart and Jenny were great presenters, sharing lots of interesting information on the history of Greyhounds; how to care for them and how they work extremely hard to rehome them.

The students were prepared for the visit and had all come with great questions for Stuart and Jenny to get as much information about the dogs and how their charity works. Many have also shown a keen interest in taking part in some voluntary work with the charity-which is great to hear!

Lauren said...The dogs were amazing, I loved Dave the best, I hope he is rehomed soon!

Jordan asked...How long do you exercise them for each day?

Kieran asked...How often do you feed them?

"The visit was good. I stroked a greyhound- They ran 45mph and it was very tall when it stood up."

'I would love to work with dogs when I'm older, this has been really good'

Many of the students asked...How do we sign up to VOLUNTEER?
