

**Encounters with Employers and Employees  
(Gatsby Benchmark No. 5)**

As part of our Careers programme we have been extremely lucky to work with Maria Appleton who is the Employer engagement Co-ordinator for Inspira. Maria has planned and delivered sessions to help our students to think about what they want to do when they leave school, develop their employability skills and learn about jobs available in the local area.

The sessions have included CV work, watching a selection of short Employer videos including videos from a sports coach and Administration assistant. Students also completed the 'Buzz quiz'. This quiz identifies student's strengths and gives suggested job roles that would be most suitable for them.

Here is some of the feedback from our students on these sessions:
